

SHIFT AI

LEARN | CREATE | EARN

Turn Ideas Into Income

REAL TOOLS.
REAL SKILLS.
REAL OPPORTUNITIES.

Welcome to SHIFT AI

Please pass this information on to any youth organization in your community.
Youth clubs – Schools – and Non -Profit Organizations trying to raise money.
Teens are looking to learn and create income' but does not have the opportunity.
In other countries like China; its mandatory for the students to learn A.I

AI skills are becoming increasingly essential for students entering the workforce. **$HIFT** gives students hands-on exposure to real, practical AI tools in one platform:

Chat Studio
writing, research, and idea generation

Image Studio
AI-generated visuals and graphic design

Video & Avatar Studios
video creation, including talking AI presenters

Voice Studio
text-to-speech and voice cloning

Translate Studio
translation across 31 languages, including spoken translation and video dubbing

Deck Studio
AI-built presentations with a full editing suite

Music Studio
original AI-composed music and sound design and more.

Their can create their own
song – book – movie
or anything they can imagine.
